Shasta County has been my home for 20 years. I have four children of which three are in College at this time. My youngest daughter is a junior at Foothill High School. My husband is a Real Estate Broker and has been for 35 years. I have worked for schools since 1996 and the past 10 years employed with Bella Vista Elementary School District as the Chief Business Official. Before I worked for Bella Vista School I worked at the Shasta County Office of Education. When I first moved here in 1990 I worked for the Redding Police Department as a 911 Dispatcher.

In 2006 I served on the Shasta County Grand Jury. I was also very active in 4-H for about 8 years while my oldest children were going through elementary and high school.

I would like to serve as a Board Member for the Redding School District because I have a great passion for the future of our student's education. We are experiencing challenging times and I feel that with my experience I could have some contribution in making collaborative decisions in the best interest of the students.

I would be honored to serve as a Board Member for the Redding School District.
